

The background is a dark blue gradient. It is decorated with various geometric elements: small squares in teal, orange, and pink, and thin white vertical lines of varying lengths. These elements are scattered across the slide, creating a modern, tech-oriented aesthetic.

BETER SKILLS & TEAM PERFORMANCE STUDY

SOFTWARE QUALITY UPM RESEARCH
IN COLLABORATION WITH MIT

TABLE OF CONTENTS

01

INTRODUCTION

A brief description of the conceptual framework

02

METHODOLOGY

Detailed explanation of the situation and methods used

03

RESULTS

Statistical output of the study

04

CONCLUSIONS

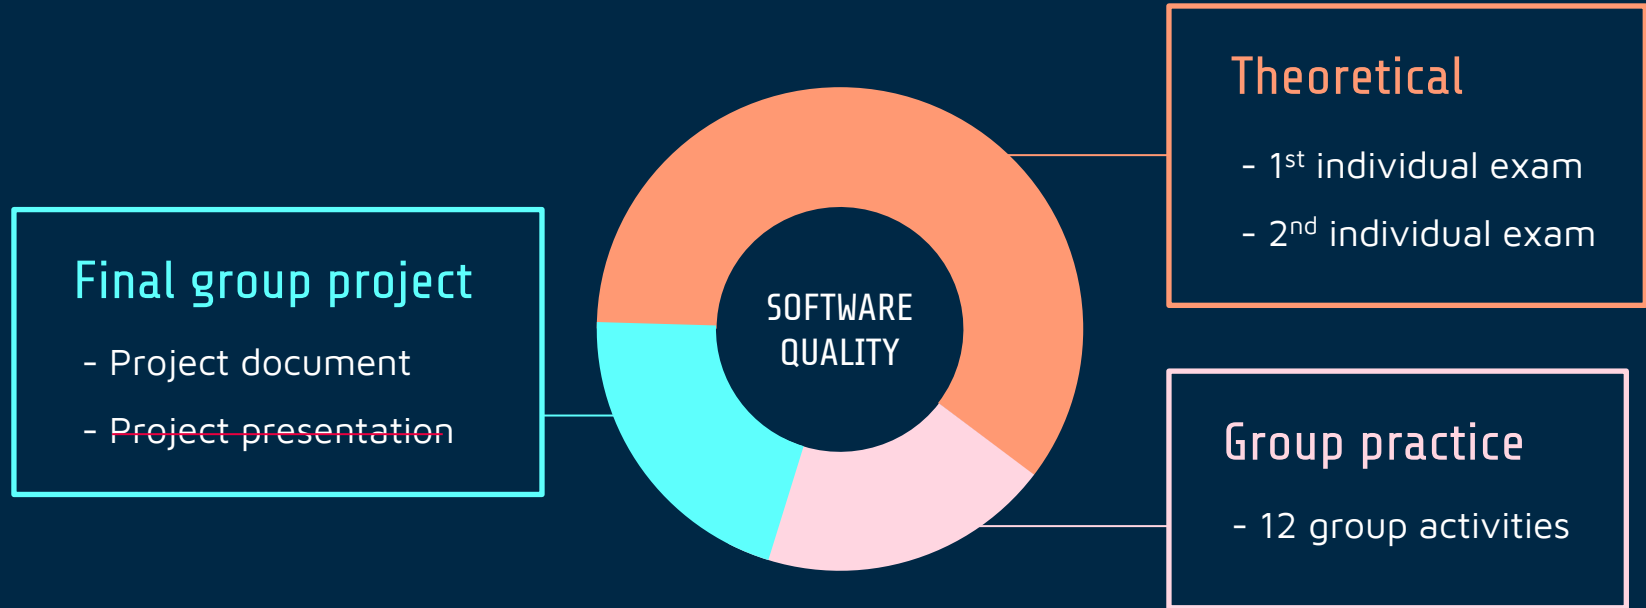

Synthesis of key points and practical techniques

01

INTRODUCTION

EXPLANATION OF THE SUBJECT

COLLABORATION

hypothesis

The more **collaboration**,
the better **performance**

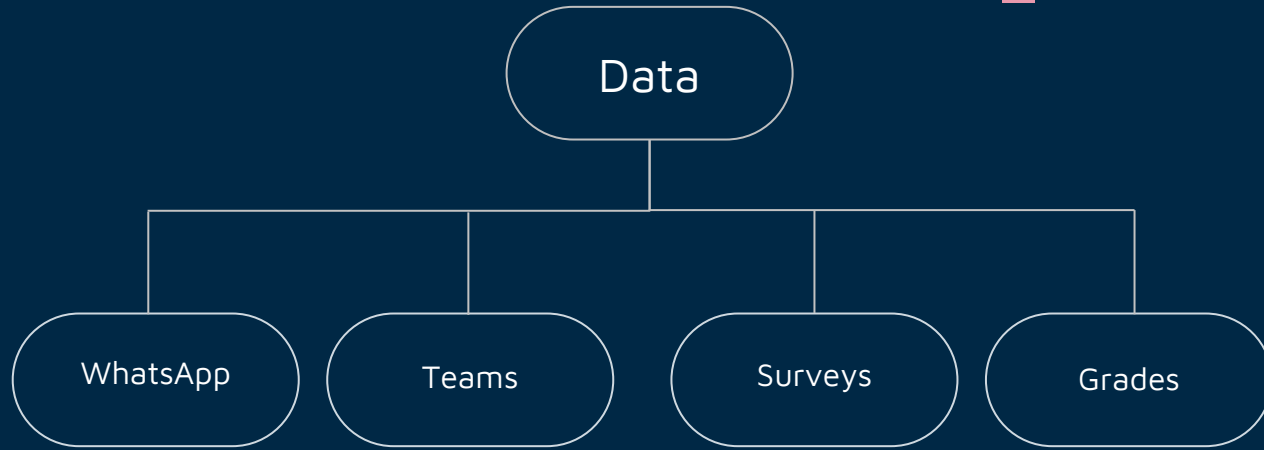

*But **how** could we **measure** it?*

*To what extent does it affect
overall **performance**?*

*How to improve **entanglement**?*

RESEARCH RESOURCES

12 groups
60 College students

1 subject
4 sources of data

SURVEYS DETAILS

HAPPIMETER.ORG

TEAM DIAGNOSTIC SURVEY

It is a well-validated instrument designed to diagnose the strengths and weaknesses of teams

NEO-FFI

It assess personality in five main domains called OCEAN

DOSPERT

It is a psychometric scale that assesses risk-taking

SCHWART

It is a questionnaire developed for assessing individual differences in values

MORALS

It is a powerful survey to understand and measure the attitude of individuals

PROJECT GOALS

01

Define clear **metrics** that indicate collaboration in a working group

02

Study the **correlation** between **entanglement** and overall **performance**

03

Clarify the **importance** of **measuring interactions** in a professional environment

02

METHODOLOGY

DATA STAGES

Obtain maximum data
quantity and quality with
the available resources

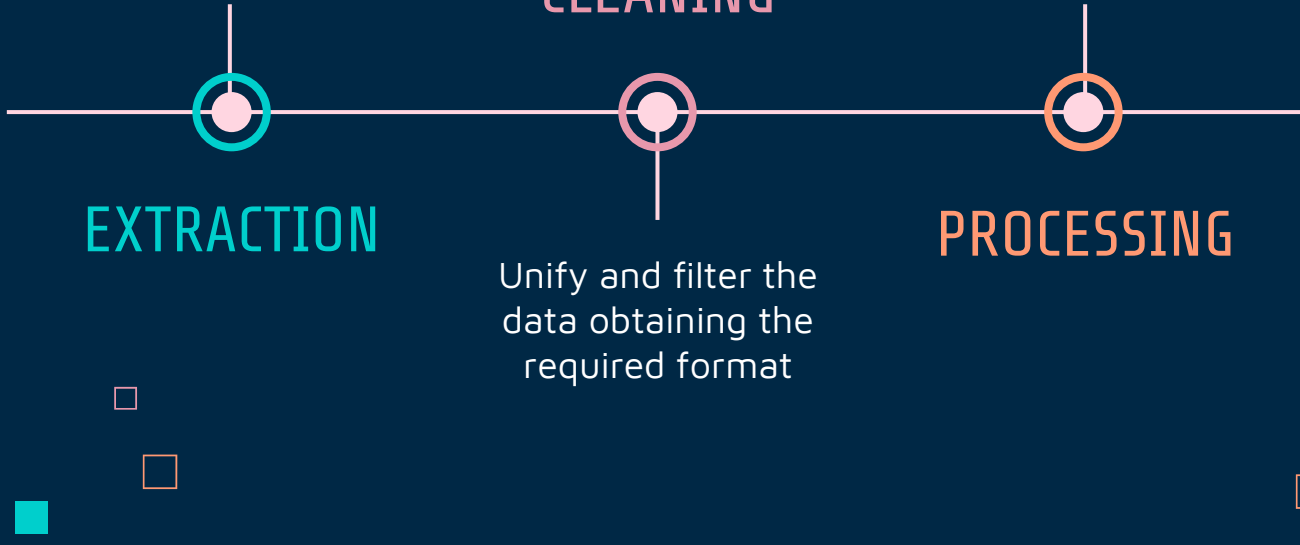

EXTRACTION

CLEANING

Unify and filter the
data obtaining the
required format

Extract features
from the data
for analysis

PROCESSING

An abstract graphic design on a dark blue background. It features two overlapping squares: a cyan one on the left and an orange one on the right. The cyan square contains the white text '02' and the orange square contains the white text '01'. To the right of these squares is the word 'EXTRACTION' in white, uppercase letters. Below the squares is a horizontal bar composed of three segments: cyan, orange, and pink. Various thin white lines and small colored squares (cyan, orange, pink) are scattered across the background, creating a modern, minimalist aesthetic.

TEAM PERFORMANCE

INDIVIDUAL VS TEAM

The background is a dark blue gradient. It is decorated with various geometric elements: small squares in teal, orange, and pink, some of which are solid and others are hollow outlines. Thin white vertical lines of varying lengths are scattered across the frame. The text is centered and consists of three lines: 'INDIVIDUAL' in white, 'PERFORMANCE' in a large pink-to-white gradient, and 'PREDICTOR' in white.

NEXT STEPS

WRITE A PAPER

The background is a dark blue gradient. It is decorated with various geometric elements: small squares in teal, orange, and pink, some of which are solid and others are hollow outlines. Thin white vertical lines of varying lengths are scattered across the frame. The text 'THANKS FOR YOUR TIME' is centered in a large, bold, sans-serif font. 'THANKS' and 'YOUR' are white, while 'FOR' and 'TIME' are orange.

THANKS FOR YOUR TIME
